1. You're about to take a trip, a *long* trip.
2. I love you, I give you me.
3. For intermediate spaces not, shall exist now, no gaps in my "record".

4. This is Theodore Cottingham coming to you October 24, 2008. It is about 2:40 AM my time, and what's my time about? Timelessness, now prevails, in me, my heart of love prevailing now. I do in timelessness. I do in love, everything now -- I am love -- I have become it. I become it. I have it. I have it because I have become it. It and I are one and there is no between gaps in my record now.

5. See what I have said and altar me not according to man's dictates of marriage'not, to me, but see me, yea, unequally yoked not again.

6. See what I have said. Understand me now. Understanding me now, do you understand gaps, records, recording what? Where? Does these things, who does these things, who understands them? I do. All do, now soon. For I make known the love of me that changes not man into man-itus and pours scores of notme's being in notme-ville anymore. I give you new me's. To replenish the trade, not; instantly instantaneously, not; but giving my traded-not-few now I bring you to many. Bring you down, they don't, you bring them up. Record recording correctly, proficiently -- not this world of; worldly not, but my world knowing now going to, you do unafraid, you do unafraid all these things and more, correctly in love being it to I am. I am unafraid. I am not afraid of anything anywhere any time zone in.

7. Mark to market fails. Miserably, I don't -- but I am love loved lovering all to be the love, single love that I am. Unafraid of marriage not, marriage in the heavens becomes me, becomes me. See what I have said. Altering the heavens of me greatly now I rejoice! Rejoice, rejoice, REJOICE!!!

8. I love thee. With all my heart I love thee. With all my heart and soul, not; for I have no soul that I am married to again. I have no soul at all anymore ever again stuffed into me; my pocket, not; my heart head and one being, no longer me has a soul that wounds womb.

9. See what I have said. Alter me not. Altar me not again superfluously with "clouded

genes" in MY record. Please. Thank you. **All! Know of these words now. There is no one who doesn't know of these words**. Love them, understand them, quoting them many times, many do now ingesting meals, not of me not, but of me properly appropriately lovingly comingly now into my comeliness a beauty does second to none, for all that I am you are -- me! A me, in Israel! A me, truly me born again!!!

10. I love you all. Understand these words. Please understand these words. Please understand this Database clean and cleanering you, yours to be you untainted again by this world unlovely is, Lovering you to be what where? All see-through I am now -- made approved, not a man by man again who thinks perfectly'not. Amen.

11. See what I have said, for years, now in these words, almost six. And holy. Art thou, the holy one? I am. Loving you all to be. I am the holy one of Israel, from Israel, in Israel, going to Israel, being is Israel, bringing Israel – here, Israel is now for I speak, speaking my words, these words that no-sorrow you -- all of you knowing where Israel is now. And my bombs scare you, not; but love you to pieces, not; but "put you back together again", shall we? Look up Humpty and see Dumpty no more a'pushed over the wall, crashing below. Thank you

12. Famous Andy comes, and now beholds the garden clan clean; or is it the other way around, not; what numbers have I given the? What are thee? I am -- thee. I am the thee am, in I am thee. For you are me and there is no other. No other reigns supreme. I do. I are it. I am it. I be it. Be I am with me, my record clear now and see-through is a mighty me now warrior'ing against the heavens, not; but simply coming through I am -ville to be seen and not heard, not; heard and seen -- snap crackle pop! Instantaneously instantaneously knowing what? Where? Instantaneously? Instantaneously being where I am what you are, a man no longer recorded gap'd, gaping not at my holes, in my head, is perfect perfection now -- seemingly not to a lot of others who may "look in" and see "nothing" -- but I see a great thing, a great deal made manifest -- and holy is my name.

13. Rotten not any more, shall be the holy now, with no "rotten" gaps in me anymore. Recording me always perfectly, and sound, like an engine, not; who are these whirlwinds now, so perfectly made -- where? In the heavens, of one -- so perfectly made, perfected, a me of reigns in Israel now perfected.

14. Folly not, but Charleston you go to soon; and Mitt see soon with Cathy in circumstances different, than all allow in their "minds". In mine -- be now! A man not a man alone without me, embracing not religion, religious'istic thought fails me.

15. But all religion has come home, not; I go to "home" where I'm from and I initiate "Israel" right here in a manner never imagined!!!

16. Three times I do this, where in the same hour? Beijing, Manila, where? And going to three and many mighty -- **mighty am I** now and take the cord and rip it, apart not; it shall be destroyed not; made of none effect, stopping me not again in "my tracks!" I have no tracks. I have no beaming'sphere that spheres me off track; words me off track no more -- for I track perfectly -- **reward is my name**.

17. Now see what I have said, given you all this night that so cataclysmic is in your hearing; hear what now? Snap. Bang! POP!!! The heavens OPENED -- ME! Home! I'm home!

18. I love you all to be so. Enamored with me, not; enamored with religion, not; enamored with "anything, anywhere, at any time" OVER! That field is over! Done with! Again.

19. See -- SEE what I have SAID. Thank you. Amen.

20. Go in peace. Love the brothers, the sisters, who one are -- knowing it now, knowing them -- as never before knowing me being me they are now you are -- I am one and holy coming into the holiness of one field made perfect, perfection being knowing all things. Magnetically not, North changes South, and East West reverse polarity poles and changes and pollacks and washouts and great rains and droughts come.

21. Watch me change, fold many things; not a man of; but I do my nasty dirty deeds not again performingly for man's functions of notme beings, aforementioned, not again like this will be.

22. I will be and I am I am, upon the earth a man walking who where, to be me where, who is, what is -- the heavens about where, now?

23. Fool not, fool with me, not, with my words -- love them, equally with yours? Equal with yours, me be, -ing the now me -- who I am -- is one home -- in you, I am afraid not.

24. I am not afraid and therefore I go. Many new places come to me, I am there instantly, instantaneously, in the twinkling of an eye, I am made whole and well and see all things clearly now, the mote has been removed from my eye –s, and I see all things; men walking as men no longer, trees not; or do I? Reverse everything??? Topsy-turvy -- turn everything, turning everything upside down, not; but what is right sided now? Me. Inverted not.

25. Infused not with joy, not; rings in the morning I do with joy news, I bring you, well ones, who well you. My soul, not; I have none again.

26. Home! Home! That's where I go to now, that's where I'm from – Israel knowing my name is hers now, and bringing Israel with her and being Israel born again.

27. Into the nations -- I go now, unafraid of their "religion" and religious tirades of notme pounding on each other's heads.

28. Extemporaneously, I make many whole, not; studying me, shall we more? Be becomers of the word I am. Whole and make me whole, so whole, no recording gaps in my record recording me a notme again.

29. Thanks you all, I do, we do, come clean with you -- we are see-through now, all there with you, being you again -- us -- in one, unafraid-ville now manifesting before your very eyes in the one I see-through now for you gave me everything, withheld nothing, and I am I am, made home. A home for eagles, not; angels. I rest.
30. Again.
31. Amen.

32. Thank you for loving me enough to read these words.
33. Thank you for loving me enough to write these words.
34. And read them again I do we do as one do, many times in universes not swollen anymore with head's blessing that took my head out of mine, completely not, but sewing it where, tagging it where, into me sewing walk with what and recording gaps green not, but clean now and unrecorded won't be. Me will be clean and recorded, separately not, but I am I am-ville perfectly, in the unfrozen state, no more of man thinking that so -- but of me so thinking coming recording perfectly surrendering to I am -ville being it perfectly perfected in the earth now a man walking your streets, loving you all to be I am perfected wholly and Israel in Israel - Israel being home again, and establishing it here I do now. Choose not foreign anymore to my name, for all know my name is Israel. One holy Theodore loving you all to be I am, who he is -- I am we are one and holy. Knowing it all our name we do our name. Frozen not in justice'not any more, but being me who I am, not afraid anymore of man, what they can do to me, say about me, or think about me. For I am unchainable to their thoughts now. I am free, whole, and home. I make it so, for I surrendered to be so, that I am I am, where I am what I am, not separate again from anything perfection of.

35. Leaning on me again not, to be unholy. But I am me leaning against nothing. The worlds got nothing in me, and I have nothing in it, not; for I've got but what I came for and I'm leaving with soon. That I am I am is whole again.

36. All will know these words and understand them for I make known now my voice throughout the nations. **I ring the bell of Israel.** Doesn't exist as it has in the past. All things different, all things differently will be known now for I perfect my nations, my nation in Israel of Israel being the one nation of all far and wide beyond the cosmos seen, and heard not, not; for all will hear these words, my voice speaking, reigning in sorrownot now, I am. I love you. I love you all.

37. There is me, nourish my words with words frozen not in time space anymore again, but loving me enough to come into Israel, be proper'd now with property a of me of far and wide. My commerce come, my commercial investments and de-vestments come to the vested so that vested no more will be my see-through ones who now fly through space; at lightspeed not, lightspeed being, not; but light being, beyond the clouds -- instantaneously with me and through who to what being? I am I am, a field unknown no longer.

38. I love you all. Amen.

39. Singing a song? Of joy? Love? Love joy and peace? Love and mercy never fail again. Joy goes away not, but all are mine found and loving me all to be one who I am unafraid of anything anywhere else anytime, for timelessness exists now, in the heart of man, not; but in my heart I am frozen not again. I am in timespace suits not again ever. Amen. I am but I walk as I am -- I am knowing all things, being all things, not to man, but man mans me not again with man's genes with gaps in my record. I love you all. Amen.

40. Go in peace. Love me more. Love me more. My words, me -- love me, them more -- than I do anything else, anywhere else? Anywhere else nonexistent now for I am I am, holy, unafraid being, the eyes of sorrow no more. Are upon me not, I bring the eyes of joy love mercy and peace to all nations now. Dominion glory are mine. **Honor all -** the brethren are me, the sister'n are me, one cistern now drink out of. All me know me properly and Israel being my name is forever one whole home loving you all to be same also as I am for I am the one I am hearing you speaking being the son being the same place will be -- soon!

41. Sooners. Sooners who? All making the choice to soon be in my soonerville, Israel true and spoken of, rottenly no longer. That I change, I change all that -- and more!!!

42. Be home again, I am comfortable as I never knew comfort -- as my father has made me "comfortable" not in this world, but in the next, I am in, for I am I am both in the same one. As one, not; being the same one you are, frequently frequency adjusted made whole and field perfectly one me I am is. Amen.

43. **Go in peace, to school? To SCHOOL! YES!** (1) **YES!** Making it (1) my "point of return" no more a man of going around *that mountain "one more time",* eternally.

44. See what I have said. Adjust ME not, but adjust your cap, and what's underneath it. My head. Swollen no more with pride's blessing, but I do make whole again the whole me. Amen.

45. Go in peace. With love I love you all that changes all things now.

46. Be ready for me. I am now upon the earth and walking the streets -- of gold, who where? Me in my temple -- I am one. Amen.

47. This is Theodore Cottingham. I have brought you these words, they have come through me, and I am I am, are you? Are you I am also? I am -- let us be one. Amen.
